General Information

ARRANGEMENTS

Arrangements may be made at Trimble Funeral Homes, where our dedicated staff is available to guide families through each step of the planning process. We recommend that, in addition to the information provided in the following pages, families bring items such as clothing, a photo of their loved one, cemetery deed, and relevant insurance documents to the arrangement meeting. Our funeral directors will work closely with the clergy to determine the best time and location for the service and will handle obituary placements in all requested local and out-of-state newspapers, using the details provided by the family. Prearranging with us can provide peace of mind and ensure that all wishes are carefully honored when the time comes.

SOCIAL SECURITY BENEFITS

With each service we provide, our team submits a "Statement of Death by Funeral Director" to the Social Security Administration. This statement initiates the process to stop Social Security payments. Currently, Social Security provides a one-time death benefit of \$255.00, which is available only to a surviving spouse or minor child. The surviving spouse or guardian of minor children must contact the Social Security Administration in person to arrange for these benefits. The local office is located at 129 Scott Station Rd, Jefferson City, MO 65109, and can be reached at 1-(877) 405-9803. For more information, visit www.ssa.gov or call the National Office at (800) 772-1213.

VETERANS BENEFITS

All United States veterans who received an honorable or general discharge are eligible for certain non-monetary benefits, including an American flag, a government issued grave marker, and a burial space in the nearest National or State Cemetery for the veteran and their spouse. Our services include assistance with these claims, which

will require the veteran's DD-214 or comparable discharge documentation. Additionally, some veterans may qualify for extra monetary benefits. For more information, we recommend scheduling an appointment with the Missouri Veterans Commission at 1500 Southridge Dr., Room 300A, Jefferson City, MO 65109, by calling (573) 522-4223, or contacting the National Veterans Affairs Office at (800) 827-1000.

DEATH CERTIFICATES

The Death Certificate, certified by the State of Missouri, serves as a legal document needed to file claims, transfer asset ownership, or continue Social Security benefits for a minor. Most institutions require a certified copy, as photocopies are often insufficient. Currently, Missouri charges \$14.00 for the first copy and \$11.00 for each additional copy of the Death Certificate. If you need additional copies later, our staff will be available to assist.

INSURANCE CLAIMS

Our staff is available to help with filing insurance claims as well. Most insurance providers allow beneficiaries to assign some or all of the policy's benefits to the funeral home to cover funeral expenses. It's essential to ensure that the policy's beneficiary information is current and updated as needed.

arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it such as direct cremation or immediate burial. Trimble Funeral Homes did a wonderful job honoring my husband's life. They were very friendly and helped us with all of the tough decisions, offering ideas when we felt confused about the less traditional parts of his service.
